2020 Design Users

Do not use this form as a cover sheet for 2020/Design Flex standard reports (Item List, Quote, etc). Instead, please download the *W. W. Wood Products Order Form* specifically customized for our product lines for installation and use in 2020/Design Flex. Once installed in 2020/Design Flex, the *W. W. Wood Products Order Form* creates one single document that can be submitted as an order without the need for a separate cover sheet, avoiding potential conflicting information. Download our *W. W. Wood Products Order Form* and its tutorial video from our *Customer Portal* under *Resources*. Or, email 2020catalogs@wwinc.com for assistance.

Notice

This order for production is final. After receipt of confirmation of this order, changes or cancellations will be allowed for a time period of 24 hours only. Refer to the *Change Order* section of the Eclipse catalog for specific details.
