## Warranty Request Information

- This warranty request form is for warranty items only
- Warranty claims may require final approval/verification by customer service before they are entered for production
- This approval/verification may require detailed pictures and/or returning defective items for a warranty claim to be approved
- Warranty orders will not be processed without the original order number and will be returned if not completed as required
- If order contains discontinued offerings (*such as, discontinued colors, character techniques, etc...*), please provide that information under the *Stock Number and Description from Original Order* field
- Warranty items will ship via our freight carrier or parcel service in approximately 1 to 4 weeks from the receipt of your order confirmation
- Lead times are dependent on type of item(s) and scheduling availability
- This order form must be filled out completely to be entered
